COMDATA®

COMDATA®
CONNECT CARD

BIG FLEET FUEL SAVINGS, PAY-AS-YOU-GO FUNDING, SECURITY, AND REPORTING.

BEST OF ALL—NO CREDIT CHECKS!

The frustrating days of funding delays and late fees are over.

Now you can take advantage of some of the best fuel card discounts in the industry---but without the credit application. No credit checks required.

Use your bank account or existing credit card (with its credit line and any rewards)[2] to add funds instantly[1] to the Comdata Connect Card. It's that easy!

TWO OPTIONS FOR FUNDING THE COMDATA CONNECT CARD

REAL-TIME FUNDING

- Link a credit/debit card
- Pay as you fuel; no need to preload
- Use card immediately upon receipt

PRELOAD IN ADVANCE

- Link a bank account or credit/debit card
- Preload account before use; reload as needed
- Access funds in 0-4 days

The Comdata Connect Card gives you all the same benefits as the Comdata Fleet Card. Not only can you easily manage your company's expenses, but the card also connects you to *big fuel savings at over 8,000 locations*.

BIG FUEL SAVINGS WITH THE COMDATA CONNECT CARD

Pay cash price and get additional savings[3] up to:

- $.25/gal at TA Petro
- $.10 at Pilot Flying J
- $.08 at Love's, AMBEST, Speedway/7-Eleven
- $.07 at Sheetz

Experience the benefits of the Comdata Connect card—

- Get started right away with NO credit check
- Save BIG on fuel at major truck stops
- Load funds instantly[1] on YOUR schedule
- Keep earning REWARDS[2] as you go
- Fleet security, fraud alerts,[4] and reporting

TO APPLY FOR THE COMDATA CONNECT CARD, VISIT

WWW.COMDATA.COM/APP/COMDATA-ALT-FUNDING-1130/

OR CALL 1-800-266-3282 FOR MORE INFORMATION.

The Comdata Connect Card is not available in Alaska, California, Hawaii, Nevada, Oklahoma, and Washington D.C.

[1]Credit and debit transactions fund instantly upon issuer authorization. ACH transactions may be subject to a 4-day hold in some cases.

[2]See the terms and conditions of your funding source for rewards eligibility.

[3]Listed discounts are provided at the maximum amount that Comdata can fund without taking a loss on each transaction.

[4]Usage of controls/SMS is dependent on customer activation, some controls may require additional requirements, such as 3rd party integrations, to be met before utilization.
